

animago AWARD 2019 – and the winner is ...

The winners of animago 2019, the international competition for 3D animation, still, visual effects and game, have been announced.

Munich, November 3rd 2019: 500 guests watched the award ceremony in the Alte Kongresshalle in Munich, where the event celebrates its 23rd anniversary. 1,137 submissions from 62 countries across the globe were submitted this year.

The award is part of the animago CONFERENCE (November 2nd-5th 2019), attended by top-class speakers and leading experts of the industry talking about current trends and developments, grant insights and reveal their latest tools and tricks.

The winners of the 10 categories:
